Hi Colby, Monday October 23 is great. 3-5pm, followed by dinner. We're in Apollo Building, 325 9th Ave N, Seattle 98109. They can check-in at the front desk and I'll come get them.

Sharon, I'll work with you on attendees and an internal meeting invite list (and room). Thanks

Good afternoon Anne,

Hope all is well on the west coast! Mary has asked me to reach out to coordinate a meeting on October 23rd or 25th. Alan and Mary should arrive in Seattle around noon on Monday 10/23 and have no other obligations at the moment. Would an afternoon meeting work (say 3-5 your time) and then head right to dinner? I assume you may have to coordinate with other members of your team for the meeting time, so please know that they are relatively flexible. I look forward to hearing from you at your earliest convenience.

Best,

Colby

Colby - would you please work with Anne Rung (

(b) (6) amazon.com) to schedule Alan and I with her in Seattle either afternoon of Oct 23 or morning of Oct 25. A couple of hours would be good. And she's up for dinner on the 23rd with

us if Alan is interested. Thanks, Mary

Hi Mary! So fantastic to hear from you. My amazon email is super simple (!) -

(b) (6) [amazon.com](mailto:(b) (6)@amazon.com).

I would welcome an opportunity to sit down with you and Alan - makes a lot of sense. We can walk you and Alan through Amazon Business in greater detail. Either day (23rd or 25th works) - so let me know what's best for you guys. Let me know if you guys would also like to grab dinner or a drink (but of course would let you pay for yourselves)!

Take care, Anne

Hello to you! How's things? Hope you are having a blast. Alan Thomas, the new FAS Commissioner and I are traveling to Seattle Oct 23, spending the day in the regional office on the 24th, and flying to San Fran late morning on the 25th. So, I was wondering if you were going to be in Seattle at that time and if you'd be interested in getting together either mid to late day on the 23rd or the morning of the 25th. We are going to pursue commercial platform and would be interested in discussing. And would love your amazon email address :)

Hello to you! How's things? Hope you are having a blast. Alan Thomas, the new FAS Commissioner and I are traveling to Seattle Oct 23, spending the day in the regional office on the 24th, and flying to San Fran late morning on the 25th. So, I was wondering if you were going to be in Seattle at that time and if you'd be interested in getting together either mid to late day on the 23rd or the morning of the 25th. We are going to pursue commercial platform and would be interested in discussing. And would love your amazon email address :)
